

March 23, 2023

To our loyal supporters,

The KD Foundation for Sweetwater County Juvenile Diabetics is reaching out to the generous businesses of Sweetwater County for sponsorship. The Foundation understands the financial burden that comes with a Type 1 Diabetes diagnosis and we are committed to easing this burden for families in SWCO. The KD Foundation has been changing the lives of juvenile diabetics since 2007. We are proud to provide hardship grants to assist our juvenile diabetic's family. Grants will cover charges incurred with this diagnosis, including diabetic medical supplies & travel expenses related to Endocrinologist visits. We also offer scholarships for continuing education, diabetes camp fees, free medical alert jewelry and tattoos.

We are currently planning our **16th Annual Walk/Color Rush** and BBQ! In 2022, over 700 participants walked/ran the streets of Rock Springs while being doused in bright colored powder (color is optional). We believe there is great support in numbers. With the help of our generous community, we are able to keep this event and all of its life changing benefits running strong. The 2023 Color Rush will take place **September 16th** at Bunning Park. The Rock Springs Police Department and the Sweetwater County Sheriff's Department will be there to send us off at 11:00 am.

All sponsors will have their name printed on the participant's t-shirts if sponsorship form is received **by August 4th**. 100% of all proceeds will go to the KD Foundation and stay in Sweetwater County.
