

March 23, 2023

To our loyal supporters,

The KD Foundation for Sweetwater County Juvenile Diabetics is reaching out to the generous residents of Sweetwater County for sponsorship. The Foundation understands the financial burden that comes with a Type 1 Diabetes diagnosis and we are committed to easing this burden for families in SWCO. The KD Foundation has been changing the lives of juvenile diabetics since 2007. We are proud to provide hardship grants to assist our juvenile diabetic's family. Grants will cover charges incurred with this diagnosis, including diabetic medical supplies & travel expenses related to Endocrinologist visits. We also offer scholarships for continuing education, diabetes camp fees, free medical alert jewelry and tattoos.

We are currently preparing for our 16<sup>th</sup> Annual Walk/Color Rush Fundraiser and BBQ. In 2022, over 700 participants of all ages walked/ran the streets of Rock Springs while being doused in bright colored powder (a color-free option is available.) We believe there is great support in numbers and with your help we are able to keep this event and all of its life changing benefits running strong. The 2023 Color Rush will begin promptly at 11 a.m. on Saturday, **September 16th** at Bunning Park.

If you would like to form a team for the Color Rush Fundraiser, please fill out the registration sheet and return it to Daniel's Jewelry at 617 Broadway or email: [kdfoundationswco@hotmail.com](mailto:kdfoundationswco@hotmail.com) The deadline to register and receive shirts will be **August 4th**. Please submit donations/pledges no later than time of shirt pick-up.

***Please make checks payable to: KD Foundation***

We appreciate your support and look forward to hearing from you soon. If you have any questions or would like to volunteer, please don't hesitate to contact us at **307-362-8040, Jane 307-922-3379 or Tina 619-988-16660.**

Sincerely,

Jane Daniel, KD Foundation Founder
